SAFEGUARDING CHILDREN POLICY

for

Time-Matters UK

1 Introduction

1 Time-Matters UK is a not-for-profit organisation run by:

Dr Lorna Brookes, supported by an advisory Board (Ben Raikes, Sarah Beresford, Emily Livsey, Paul Courtney and Olivia Quarless).

2 Time-Matters UK is based at:

various locations around Merseyside.

3 Time-Matters UK is managed by a board of trustees (the Board). One of the trustees has particular responsibility for safeguarding children.

4 The Board has adopted this safeguarding children policy and expects every adult working or helping at Time-Matters UK to support it and comply with it. Consequently this policy shall apply to all staff, managers, trustees, directors, volunteers, students or anyone working on behalf of Time-Matters UK.

2 Purpose of the Policy

1 This policy is intended to protect children and young people who receive any service from us, including those who are the children of adults who may receive services from us.

2 As an organisation we believe that no child or young person should experience abuse or harm and are committed to the protection of children and young people and this policy is intended to provide guidance and overarching principles to those who represent us as volunteers or staff, to guide our approach to child protection and safeguarding.

3 The risks to children

Nearly every child grows up in a safe and happy environment and it is important not to exaggerate or overestimate the dangers. Nevertheless, there are situations where children need protection including:

- Sexual abuse
- Grooming
- Physical and emotional abuse and neglect
- Domestic violence
- Inappropriate supervision by staff or volunteers
- Bullying, cyber bullying, acts of violence and aggression within our schools and campuses
- Victimisation
- Self-harm
- Unsafe environments and activities
- Crime
- Exploitation

4 Universality of Protection

We recognise that:

- the welfare of the child is paramount
- all children regardless of race, gender, religious belief, disability, age, sexual orientation or identity have a right to equal protection from harm.
- some children are more vulnerable to harm as a result of their circumstances, prior experiences, communication needs or level of dependency.
- working with children, young people, their parents and/or guardians, carers or other agencies is essential to protecting their wellbeing.

5 Safeguarding children at events / activities

1 There are three kinds of events/activities:

1.1 those open to adults and children of all ages,

1.2 those for children accompanied by a 'parent',

1.3 those for unaccompanied children, which are sometimes run alongside other events/activities.

2 At events and activities open to all ages, children under 16 must be accompanied throughout by an adult over the age of 18 who not only brings the child but also takes the child home again afterwards. Young people aged 16 or 17 may attend unaccompanied if they bring the written consent and mobile telephone number of one of their parents.

3 At events and activities for children accompanied by a 'parent', children under 16 must be supervised throughout the event by an adult over the age of 18 who not only brings the child to the event but also takes the child home again afterwards. If a lone adult brings more than one child, then the children will have to stay together, so that the one adult can supervise them. Young people aged 16 or 17 may attend unaccompanied if they bring the written consent and mobile telephone number of one of their parents.

4 At events and activities for unaccompanied children, children under the age of 16 must be enrolled by a responsible adult before being left with the event leader. The enrolment must record the child's name, age and address and the names and addresses of the child's parents, plus the parents' mobile telephone numbers. Young people aged 16 or 17 may attend unaccompanied if they bring the written consent and mobile telephone number of one of their parents.

5 Both event and activities are to be defined broadly to include any occasions where Time-Matters UK will be providing a service.

6 Disclosure and barring

1 Time-Matters UK offers the following activities for children:

- Peer Support Groups for children impacted by parental imprisonment
- Peer Support Groups for community-based parents/carers of the children impacted by parental imprisonment
- 1:1 mentoring for children impacted by parental imprisonment
- Zoom support groups for both children and adults
- Zoom 1:1 mentoring for children impacted by parental imprisonment

2 Some of our activities may therefore require adult participants or adult leaders to undergo DBS and/or police checks under the Safeguarding Vulnerable Groups Act 2006. The required level of checking (if any) will broadly reflect the degree and frequency of unsupervised access given to other people's children.

3 The Board will take very seriously any allegation of impropriety on the part of any member of Time-Matters UK. A member of Time-Matters UK who discovers anything amiss should get in touch immediately with the following:

Emily Livsey: livseyemily@gmail.com

4 The Board will review the allegation and the likely risk to children and, if appropriate, will consider banning the member from future events or revoking his or her membership or both, but only in full accordance with the rules and procedures of Time-Matters UK.

7 Health and safety aspects of safeguarding children

1 Before starting any event for unaccompanied children, the Board will carry out a risk assessment and then take steps to minimise all risks to health and safety. Parents and children will be made aware of any particular risks and of the steps to be taken to minimise those risks. The Board will keep a record of all risk assessments.

2 Sufficient adults must be present at any event for unaccompanied children to enable one adult to deal with any emergency while another adult supervises the children not directly affected by the emergency.

8 Adventure activities licensing

Time-Matters UK runs occasional adventure activities, for members, but not for non-members. Restricting participation to members means that no licence is required under the Adventure Activities Licensing Regulations. For clarity such activities may include but are not limited to:

- Indoor Rock Climbing
- Paintballing with soft balls
- Theatre trips
- Crazy Golf
- Art Classes

9 Policy on the prevention of bullying

We will not tolerate the bullying of children either by adults or by other children. If any incident of child-on-child bullying should arise at a Time-Matters UK event, those involved will be separated immediately and the parents of the children involved will be asked to deal with the matter. The Board will review all incidents of child-on-child bullying and assess the likely future risk to children. If appropriate, the Board will consider banning a child from future events, but only in full accordance with the rules and procedures of Time-Matters UK. Allegations of adults bullying children will be dealt with under paragraph 6.3 above.

10 Photographing children

No photos will be taken or published of any child attending an event or activity unless prior written permission is sought from a person with parental responsibility. If any person has any concerns regarding any person taking photos at an event or activity, that person should contact Time-Matters UK immediately.

11 Managing behaviour, discipline and acceptable restraint

1 Adults supervising children at Time-Matters UK events must never use any form of corporal punishment. If physical restraint is absolutely necessary to

prevent injury to any person or to prevent serious damage to property, then the minimum necessary restraint may be used — but for that purpose only.

2 Unacceptable behaviour at Time-Matters UK events for unaccompanied children will generally be stopped by separating the children from each other and from the group. The miscreants will be suitably supervised and will be returned as soon as possible to the care of their parents.

3 Time-Matters UK may apply a further disciplinary sanction; namely the banning of the child from one or more future events over the following 18 months. Any such sanction would be determined and applied by the following officer:

Dr Lorna Brookes

4 A parent who is aggrieved by this ban may appeal to Time-Matters UK who will hear the views of all relevant persons. The decision of Time-Matters UK is then final.

12 Other Policies

This safeguarding policy should be read together with the following policies and resources:
